Brazil's PowerQUOTE Partners with eSignal to Offer eSignal Services to the Brazilian Marketplace

Local Deployment of eSignal Services in Brazil Combines eSignal Software and Market Analysis Tools with PowerQUOTE's Local Language Product Support

HAYWARD, Calif. & RIO DE JANEIRO, May 26, 2010

(BUSINESS WIRE) -- eSignal, a division of Interactive Data Corporation (IDC 32.20, -0.13, -0.40%) and a leading provider of streaming, real-time financial market data, news, analytics and decision-support tools for professional and individual traders, today announced its relationship with PowerQUOTE, a leading Brazilian financial analysis and education firm, to offer eSignal products and services, with PowerQUOTE's Portuguese-language support, to the Brazilian marketplace. Under terms of the agreement, PowerQUOTE will market five eSignal products throughout Brazil.

The eSignal products and services included in the collaboration are:

-- eSignal the company's flagship product, is a leading real-time quote service that delivers continuously updating, time-sensitive financial data over the Internet to the PCs or laptops of active traders and individual investors.

-- eSignal, Advanced GET Edition, includes the Advanced GET proprietary indicators, exclusive Dashboard and Advanced GET Scanner, which assist traders in finding the signature Advanced GET trade set-ups.

-- eSignal OnDemand, an end-of-day and delayed intraday charting system designed to enable traders to track global markets and global historical data, combined with eSignal's charting and decision support software.

-- LiveCharts, cost-effective real-time streaming charts and portfolio data--including stocks, options, futures, Forex charts and hot lists--that provide users Web-based access to global markets without the requirement to download any software.

-- QuoTrek, a robust and cost-effective mobile service, which gives users access to data from the world's leading markets, backed by streaming news, charts and analytics to confirm market picks on mobile devices.

"We are proud to offer eSignal products and services in Brazil," said Andre Mendonca, managing partner of PowerQUOTE. "This agreement enables us to offer some of the finest financial market analysis products and services to the Brazilian trading and investment community."

PowerQUOTE is a financial education firm that provides comprehensive financial advisory services emphasizing trading and market analysis. The company presents live education seminars and training focused on Elliott wave theory for individuals and organizations in major Brazilian markets.

PowerQUOTE's relationship with eSignal will focus on meeting the needs of active traders and individual investors by offering eSignal's products and services backed by PowerQUOTE's product and technical support.

"This arrangement with PowerQUOTE is a significant achievement for both companies and will serve the investment community of Brazil well," said Chuck Thompson, president of eSignal. "With its solid reputation and strong financial and educational expertise, PowerQUOTE is an ideal partner to help us build a loyal, sophisticated eSignal client
